

PRESS RELEASE

Thessaloniki 02.03.2015

Engineering Office Deisenroth Hellas - EODH SA, had a successful participation at IDEX (International Defense Exhibition & Conference) which took place on 22nd and until the 26th February 2015 in Abu Dhabi, UAE.

IDEX is one of the biggest Defense Exhibitions of its kind taking place every two years and is organized by the Abu Dhabi National Exhibitions Company – ADNEC in close cooperation with UAE’s Armed Forces and **under the auspices of his Highness Sheikh Khalifa bin Zayed Al Nahyan, President of United Arab Emirates (UAE) and Supreme Commander of the UAE Armed Forces.**

In this Exhibition, participating Companies are among the biggest Defense Industries of the world. There are visiting official delegations from many Countries including thousands of businessmen and representatives of the Armed Forces.

The Exhibition was of a great interest for EODH due to its important activities in the Area.

EODH’s Exhibition Stand was in the German pavilion because it represented also the Group of IBD and this was the wish of its **Founder Ulf Deisenroth.**

The Company for the first time presented the **“New Cyber Protection Concept”**, which represents a new approach for a **“Holistic Protection Solution”** concerning New Generation Fighting Vehicles, based on a Wide Spectrum of Interactive Technologies, consisting of Sensors, Processors, Counter Measures, Active Defense Systems and Passive Defense Technologies. Including 4th Generation Composite Materials with Nanotechnologies Structures.

At the Exhibition EODH had the opportunity to promote its High-tech knowledge, Track Record and a broad list of Armored Protection Systems hence to attract the interest of the major Original Equipment Manufacturers (O.E.M.) to whom EODH supply for many years state of the art and cost effective solutions.

PRESS RELEASE

A lot of New Customers approached EODH requesting reliable survivability technologies and systems for new and existing platforms in order to attend urgent operational requirements.

The Exhibition was a great success for EODH ... During the five days event, based on its Licenses, Technologies and other Agreements, including more than ten years experience, reliability and excellent track record EODH has concluded Framework Cooperation Agreements with three Major Customers.

During the Exhibition, the **Greek Minister of National Defense Mr. Panos Kammenos**, escorted by General Michael Kostarakos, Hellenic Armed Forces, Chief of General Staff and the Chief of the Navy, Deputy Admiral Evaggelos Apostolakis and many more visited our Stand.

The Minister congratulated EODH for its successful presence at IDEX and he was briefed about its capabilities including local upgrades for the Hellenic Armed Forces needs and other business opportunities in the Area.

It was a great honor for EODH the visit at its Stand of **His Highness, General Sheikh Mohammed bin Zayed Al Nahyan, Crown Prince of Abu Dhabi and Deputy Supreme Commander of the UAE Armed Force.**

The Crown Prince showed a great interest in the technologies of EODH, encouraged local cooperation and wished good success to our Company.
